MEMORANDUM FOR: Deputy to the DCI for National Intelligence  
FROM: Director of Central Intelligence  
SUBJECT: Admiral John P. Weinel

1. I finally got hold of Admiral "Blackie" Weinel. He is happy to work with us on the NIE that we discussed. He also would be glad to be part of our "stable" of consultants available on call.

2. He will be in Washington from the 3rd to the 15th. He is working for a Mr. Steadman in the Defense Department as a consultant on a study about Command and Control in the DoD. His telephone number there is 697-2054, though he said he would check in with us when he arrives here. My idea would be to have the three of us get together and discuss the situation with him and then fill out the forms, etc.
